

CALIFORNIA ROCK

beside a detoured road
 a white house appears
 picket fence around
 little flowers grown
 on the porch
 two traveled souls rest
 sturdy and so gentle
 both weathered well
 facing one another
 with not much to do
 been a lot and seen a lot
 some character is shown
 on the floor
 a well worn path
 each direction same
 inbetween the spirit knows
 tomorrow
 there my be only one
 so let us rock together
 rock together rock.
