

## MEANING IN

My poetry  
 does not  
 have  
 to  
 rhyme  
 as it is out of time  
 in duration  
 of note  
 the best  
 is not  
 the rest.

## EXISTENTIAL SUCIDE

What is seen  
   everyday,  
 through the gap  
   between reality  
   and ability,  
   from the inside  
 The decisions  
   are or  
   are not for  
   the other to be  
 Mistakes show up  
   which are carried around  
 To cross over boundaries  
   Life and Death

 doesn't mean anything  
   too much to bear  
   on your Self.
